Resale Offerings 2015

Our Success Your Gain

We've delivered millions of fresh, local, inexpensive, auto leads to dealerships throughout the country for over a decade. Our exclusive relationship with America's top credit bureaus is a dealer's pipeline to the most effective leads with the highest return on investment.

1

High Profits Great Support

When you become a Customer Track reseller you can earn big money while enjoying the support and service from a company with more experience in the trigger lead business than any other company out there.

2

New Startup Existing Business

If you're seeking additional revenue to add to your existing company, or seeking to start your own business then give me a call today to discuss what it takes to become a reseller of our exciting, proven and profitable service.

3

Join Our Team

We currently have resellers doing over \$500k a year in sales and enjoying net profits of over 150K!

Customer Track can expand your current products and services you offer to clients, and boost your revenue potential, with our world-class marketing solutions coupled with our full service and support. All you need to do is bring the clientele. Everything else will be provided to you, including a personalized website, and access to our award winning call centers and print house.
